How does it work

The competition will run for 4 months – November 2026 to February 2027. Each competitor to shoot **2 targets of 5 shots** each per month. On receipt of your entries, named targets will be sent to the team managers. Each set of targets should be shot under competition conditions at the competitors normal venue. Static or turning targets may be used.

All targets should be checked by team manager, scores written on the back and returned to Beverly Webber (address below) by the end of the following month.

Targets not returned by the end of March 2027 will not be counted.

In the event of tied scores, positions will be determined by the number of bulls scored across all targets.

Results will be posted monthly and circulated to the Team Managers.

Rosettes for the first 6 individuals in each class.

Rosettes for the top 3 teams.
